## Discover New Designers: Objets d'Envy

With an MFA in Graphic Design, an eye for style and a fascination (obsession?) with color, Kirsten Goede started making jewelry to accessorize her wardrobe. When this sparkly bracelet garnered tons of compliments, she started taking orders! Now it's a thriving online business. Her Swarovski crystal pieces add sparkle to any outfit. They can dress up your downtown jeans or glamorize a flirty cocktail dress. They're so fun to wear and we guarantee you'll get compliments. Get ready to be the envy of your girlfriends!

The signature bracelets by Objets d'Envy come in 9 spectacular colors: Bordeaux, Cerulean, Champagne, Clementine, Frost, Grass, Lemonade, Smoke and Violet. Look for 2 new Valentine-inspired colors soon: Petal...a lovely rosy pink, and Coral...the color of the moment.

Get one to match your eyes, your nail polish, your car...anything!

[We LOVE this lovely bracelet in sparkling clementine.](#) Wear 2 or 3 at once to increase the envy quotient.
